2025-2026 Laptop Giveaway Application

Applications due by March 31st!

💘 We're sharing the love with a Laptop Giveaway! Walton Works is awarding one laptop per high school to a graduating senior attending a technical school this fall. Students should see their school counselor or CTAE department chair for application details.

Please help us spread the love by sharing this opportunity with your students!

Each month, Walton Works shares a Jobs Board email to connect our community with local employment opportunities. This resource makes it easy to see what jobs are available right here in Walton County—supporting job seekers, employers, and our community as a whole.

Please keep this resource in mind for your students and friends. Increased awareness helps strengthen our local workforce and community.

UPCOMING EVENTS

This Job Fair is open to the general public and offers a great opportunity for job seekers to connect with local employers and explore future careers. We're sharing this with educators so you're informed when talking with graduating seniors who plan to attend—and so you can help spread the word to students, families, or anyone you know who may be looking for a job.

This event provides career interview opportunities for workforce-bound graduating seniors. Walton Works partners with local businesses and industries that are actively hiring, giving students the chance to participate in first-round interviews. It's an important first step toward launching a career they can begin right after graduation.

All-Star EXTERNSHIP
